## Personal Statement

Logical, detail-oriented, and highly motivated with a strong passion for problem-solving and continuous learning. Experienced in both technical and collaborative environments, with demonstrated skills in teamwork, leadership, and communication. Proven resilience and commitment, showcased through extracurricular achievements such as the Duke of Edinburgh Awards and STEM recognition.

Holds enhanced DBS clearance and a full UK driving licence, ready to contribute effectively in professional and development-focused roles.

## Experience

<b>Wylam Brewery</b> Wedding Caterer (Part-Time)	March 2025 - Present	<b>CyberFirst Horizons</b>	July - August 2025
I help ensure exceptional service is upheld under high pressure, serving 85-100 people at once as part of a team		Participated in the pilot of the "Horizons" program. Learnt vital workplace skills and how to effectively network. Engaged in talks and site visits delivered by local and global businesses such as Aspire, Accenture and Microsoft.	

## Education

<b>North East Futures UTC</b> Computer Science, Maths, Psychology	September 2024 - Present A-Levels	<b>North East Futures UTC</b>	September 2022 - July 2024 GCSEs
<ul style="list-style-type: none"><li>Brought home first place in a 2 day, UK wide capture the flag hacking competition run by the National Centre for Cyber Security by solving Cyber Security challenges on TryHackMe</li></ul>			<ul style="list-style-type: none"><li>Achieved 7s and 8s across most subjects</li><li>Subjects studied included Computer Science, Triple Science, Further Maths, and Spanish (studied for independently)</li><li>Made the switch to UTC for its strong industry links &amp; employer-led projects.</li></ul>

## Projects

<b>Stamp Works</b> 🌐	January - April 2024
Created a fully functional mock-up digital solution as part of a project with the DWP digital team, showcasing my ability to create content from scratch based on set goals and specifications.	

## Awards

<b>Next Gen STEM Award</b> The 2025 STEM Awards	November 2025
As part of the CyberFirst Horizons programme, I led my group during a site visit and tutored other participants on how to develop their own portfolio website, earning me a nomination for a STEM award in the 'Next-Gen' category, celebrating exceptional promise and impact in STEM, which I later won.	

<b>The Duke of Edinburgh's Award (Silver)</b>	November 2022 - Present
Currently working towards my Silver DofE with my Explorer Scout group. During our expedition, we endured the 2nd worst weather our assessor had seen in 35 years, yet completed the 3-day hike. This demonstrates my commitment, resilience, and adaptability, proving my dedication to commitments while also balancing this with GCSEs.	

<b>The Duke of Edinburgh's Award (Bronze)</b>	September 2021 - November 2022
Completing this demonstrates independence, perseverance, and responsibility. I engaged in teamwork and initiative while undertaking the various sections in the programme and feel I have grown as a person because of it.	

## Volunteering

<b>The Scouts</b> Section Team Member	April 2024 - Present 9th Whitley Bay Scouts
I volunteer at my local Scout group every Friday, planning and leading engaging activities, boosting my leadership, teamwork, and communication skills. It's a really rewarding way to give back and make some cool memories!	

## Certifications

<b>Introduction to Cybersecurity</b> Cisco	May 2024	<b>Food Allergy and Intolerance Training</b> Food Standards Authority	July 2024
